Alegerea modalitatii de plata:

In momentul alegerii modalitati de plata se vor afisa urmatoarele doua optiuni :

- Plata POST PAY (eliberare dispozitiv fara a fi necesar incarcare ulterioara)
- Plata PRE PAY (eliberare dispozitiv care necesita incarcare ulterioara)

A. Plata POST PAY

Alegeti optiunea „POST-PAY”

1. Choose “POST-PAY”

The screenshot shows the Satellic mobile application interface. At the top, it says 'Welcome, DRRRRR7 July 07, 2016 - 13:51' and 'To call the Customer Support, please dial: 00800 - 72835542'. The main screen is titled 'Step 1 of 4 How will you pay the toll?'. There are two buttons: 'POST-PAY' (circled in red) and 'PRE-PAY'. Below the buttons, there are two columns of text explaining the terms for each option. A red 'CANCEL' button is at the bottom left.

Alegeti modalitatea de plata. Pentru card de carburant alegeti „Fuel card”

2. Select the payment method.

The screenshot shows the Satellic mobile application interface. At the top, it says 'Welcome, DRRRRR7 July 07, 2016 - 13:48' and 'To call the Customer Support, please dial: 00800 - 72835542'. The main screen is titled 'Step 2 of 4 Please select your payment means'. There are three buttons: 'Business Partner', 'Credit Card', and 'Fuel card'. A red 'CANCEL' button and a blue 'BACK' button are at the bottom left.

Please note that you have to be an existing client of a Satellic Business Partner that can act as a payment method in order to select 'Business Partner' in the Service Point menu. Your registration is already finalized when you select 'Business Partner' as your payment method. This means that you can immediately continue to pay the deposit.

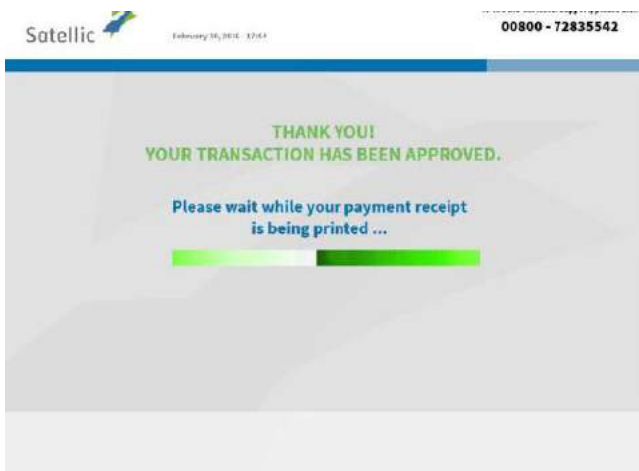

Introduceti cardul de carburant in
automatul conform imaginea de ecran

3. Insert your card in the reader and follow the instructions on the display.

Please note that post-payments by credit card require a pre-authorisation of €45. This means that each time €45 is reserved on the credit card. Once this €45 is charged in taxes to be paid, another pre-authorisation of €45 is taken. Effective payments happen according to the billing cycle of the card issuers. Pre-authorisation is a guarantee that the toll will be paid (the balance on the credit card is foreseen to be enough).

Asteptati procesarea informatiei

4. Your transaction has been approved. Please wait while your ticket is being printed.

Atentie!!

Desi cu ajutorul noii proceduri numita Service Account veti putea obtine facturi fiscale pentru recuperarea de TVA, va recomandam crearea unui cont al firmei, Full Account Satellic. Avatajele principal al acestui Full Account sunt:

- posibilitatea de a urmari toate aparatele Satellic pe care le aveti in flota;
- descarcarea unei singure facturi pentru toata flota.
