4 Monitoring, consumption, and adding credit to DarsGo units

1 DASHBOARD

The screenshot shows the DarsGo dashboard for a user named DARS D.O.O. The dashboard includes navigation links for 'About the DarsGo system', 'Toll payment', 'Toll calculation', 'User support', and 'Documents'. It features two main buttons: 'Add customer account +' and 'Add DarsGo unit +'. Below these are filters for 'Account type', 'All statuses', and 'Show: By accounts', along with a search bar for license plate numbers. A table lists four pre-paid accounts with columns for license plate, country, axle count, emission class, serial number, DarsGo status, and current balance. Each row has 'Edit', 'Add credit', and 'Print' icons. At the bottom, there is an 'Add vehicle account +' button.
